

Shen Tao (沈韬)

Undergraduate Student in EECS

Portfolio · Mail ID · GitHub

Summary

- I am an undergraduate student in EECS at Peking University, with a growing interest in multimodal learning, particularly in video understanding. I am currently exploring different research directions to further refine my academic focus.

Education

- Bachelor of Science in Intelligent Science and Technology (2024-Present)
Peking University
GPA: 3.849/4.0 (Top 10%)

Skills

- Programming Languages: C, C++, Python, JavaScript, Haskell, Agda
- Frameworks & Libraries: PyTorch, etc.
- Parallel & Systems: CUDA
- Web: HTML, CSS
- Languages (English): TOEFL (105/120, Reading 30/30), CET-6 (605/710)

Projects

Honors & Awards

- National Olympiad in Chemistry (China), Silver Medalist 2023
- National Scholarship 2024-2025

Selected Coursework

- Introduction to Artificial Intelligence (99)
- Linear Algebra A(I) (96)
- Advanced Mathematics A(no.1) (94)
- Practice of Programming in C&C++ (93)
- Linear Algebra A(II) (90)
- Introduction to Computing(A)(Honor Track) (89)
